Structure of classes

Following the same format as last year, the teaching element of the day will be two afternoon sessions

The sessions will assume a basic knowledge of steps and formations.

We are pleased to be welcoming Heather Cowan from Glasgow as our teacher this year.

Heather will be accompanied by our own accomplished musician, Mrs. Gillian Stewart, as pianist for the afternoon.

The class fee includes tea, coffee or squash and light refreshments.

A **supper** will be provided after the classes while you relax and chat with fellow dancers. If you have any particular dietary requirement, please let us know.

Simply Social is a social dance where the programme will consist of fairly straightforward dances, most of which will be walked through.

Thus you can relax and enjoy the excellent live music provided by Roddy Matthews and friend.
